EXPLANATORY STATEMENT

This Explanatory Statement is intended to provide Shareholders with sufficient information to assess the merits of the matters set forth in the notice of meeting attached hereto (the “**Notice**”) for approval at the Meeting. The Directors recommend that Shareholders read this Explanatory Statement in full before making any decision regarding the matters set forth in the Notice.

2009 Financial Statements

To receive the financial statements of the Company for the year ended 30 June 2009, consisting of the Annual Financial Report, the Directors’ Report and the Auditor’s Report.

Pursuant to section 250R(2) of the Corporations Act, the Company submits to Shareholders for consideration and adoption, by way of a non-binding resolution, its remuneration report for the year ended 30 June 2009 (the “**Remuneration Report**”). The Remuneration Report is a distinct section of the annual directors’ report (the “**Directors’ Report**”) which deals with the remuneration of directors and executives of the Company. More particularly, the Remuneration Report can be found within the Directors’ Report in the Annual Report.

By way of summary, the Remuneration Report:

- (b) addresses the relationship between the Company’s remuneration policy and the Company’s performance; and
- (c) sets out the remuneration details for each director and executive officer named in the Remuneration Report for the financial year ended 30 June 2009.

The Directors recommend that Shareholders vote in favour of the adoption of the Remuneration Report. However, as previously stated, the vote on the adoption of this resolution is advisory only and does not bind the Company. The Board will take the outcome of the vote into consideration when reviewing the remuneration practices and policies of the Company.

The Chair of the Meeting will provide Shareholders with reasonable opportunity to ask questions about, or to make comments on, the Remuneration Report.

Resolution 2 - Re-Election of John Horan as a Director

The Board presently consists of seven (7) Directors: Mr John Horan, Mr Leslie Emery (also the Company’s Managing Director), Dr Douglas Dunnet, Sir Rabbie Namaliu, Ms Susanne Sesselmann, Mr John Hick and Ms Elizabeth Martin.

In accordance with the Company’s Constitution, the directors of the Company shall be elected and shall retire in rotation, with one-third of the directors (excluding the Managing Director and rounded down to the nearest whole number) subject to election at each annual general meeting of Shareholders held to elect directors.

Based on the foregoing, pursuant to the Company's Constitution Mr Horan must retire from office as of the Meeting. However, being eligible, Mr Horan offers himself for re-election. Mr Horan has been a Director of the Company since 2002. Mr Horan last retired from office at the Company's 2006 annual general meeting and was re-elected as a director at that meeting. If re-elected, Mr Horan will hold office for a term of three years from the date of his election or until he is required to seek re-election pursuant to the Company's Constitution at an annual general meeting of Shareholders following such date, whichever is earlier.

Mr Horan is a Fellow of CPA Australia, a Fellow of the Chartered Institute of Secretaries in Australia, a Member of the Finance and Treasury Association Limited and a Member of the Australian Mining and Petroleum Law Association. Mr Horan has many years experience in the financial, corporate, technical and management areas of the mining industry.

Mr Horan has been a director of a number of mining and exploration companies in Australia and internationally. He is currently a director of Adelaide Resources Limited, listed on Australian Securities Exchange (ASX).

From the early 1960s until the second half of the 1970s, Mr Horan held various financial, corporate administrative and management positions in Poseidon Limited and CRA Limited (now Rio Tinto Limited).

From 1987 until June 1993, Mr Horan was the finance director of Homestake Gold of Australia Limited (now Barrick Gold Corporation) ("Homestake"), one of Australia's largest gold producers. Mr Horan first joined Homestake in 1978 and was responsible for financial, commercial and corporate management functions until 1987 when he began to play a substantial role in the float of the Australian subsidiary. Mr Horan also fulfilled key responsibilities at Homestake in respect of certain very large debt and equity capital raisings. In July 1993, Mr Horan established Adelaide Resource Management Pty Ltd to provide corporate advisory services to the mining industry.

The Directors recommend that Shareholders vote in favour of the election of Mr Horan.

Resolution 3 - Re-Election of Elizabeth Martin as a Director

The Board presently consists of seven (7) Directors: Mr John Horan, Mr Leslie Emery (also the Company's Managing Director), Dr Douglas Dunnet, Sir Rabbie Namaliu, Ms Susanne Sesselmann, Mr John Hick and Ms Elizabeth Martin.

In accordance with the Company's Constitution, the directors of the Company shall be elected and shall retire in rotation, with one third of the directors (excluding the Managing Director and rounded down to the nearest whole number) subject to election at each annual general meeting of Shareholders held to elect directors.

Based on the foregoing, pursuant to the Company's Constitution Ms Martin must retire from office as of the Meeting. However, being eligible, Ms Martin offers herself for re-election. Ms Martin has been a Director of the Company since 2008. Shareholders approved Ms Martin's appointment at the Company's 2008 annual general meeting. If re-elected, Ms Martin will hold office for a term of three years from the date of her election or until Ms Martin is required to seek re-election pursuant to the Company's Constitution at an annual general meeting of Shareholders following such date, whichever is earlier.

Ms Elizabeth Martin is a Toronto based, professional accountant (C.M.A) with a strong background in international exploration and mining companies. Ms Martin has held senior management roles in base metal and precious metal companies such as Northgate Mines Inc., Western Mining Corporation Limited, IAMGOLD Corporation and High River Gold Mines Ltd.

Ms Martin is currently a director of Aura Minerals Inc. and Manicouagan Minerals Inc. both publicly traded companies. Ms Martin is also past Chair of the Board of St. John's Rehabilitation Hospital and is currently a director of Sunnybrook Health Sciences Centre, both located in Toronto.

The Directors recommend that Shareholders vote in favour of the election of Ms Martin.

At the next annual general meeting of Shareholders held to elect directors, Mr John Hick and Ms Susanne Sesselmann shall retire from office, but may stand for re-election for a term of three years from the date of re-election.

The following table sets out the name of the nominee for re-election as a Director of the Company and each Director whose term of office as a Director will continue after the Meeting, the province or state and the country in which each is ordinarily resident, all offices of the Company now held by each of them, their present principal occupations, business or employment, the period of time for which each has been a Director of the Company, and the number of

Notes:

- (1) The information as to residence, principal occupation and shares beneficially owned is not within the knowledge of management of the Company and has been furnished by the respective individuals.
- (2) Member of the Audit Committee.
- (3) Member of the Safety and Environment Committee.
- (4) Member of the Remuneration Committee.
- (5) The Sentient Group owns, controls or directs, directly or indirectly, 132,659,080 shares, or 26.64% of the issued and outstanding Shares of the Company.

Except as noted below, no proposed director is or has, within the past ten years, been a director, chief executive officer or chief financial officer of any other issuer that, while that person was acting in that capacity:

- (1) was the subject of a cease trade or similar order or an order that denied the issuer access to any statutory exemptions under securities legislation that was in effect for a period of more than 30 consecutive days that was issued while the proposed director was acting in that capacity;
- (2) was subject to a cease trade or similar order or an order that denied the relevant issuer access to any exemption under Canadian securities legislation, for a period of more than 30 consecutive days which resulted from an event that occurred while that person was acting in that capacity; or
- (3) became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity.

During 2008, Mr Hick was a director and non-executive Chairman of the Board of Tamaya Resources Limited, an Australian incorporated and ASX listed company, which made a Voluntary Appointment of an Administrator, Ernst & Young (Australia), as a result of becoming insolvent. The reasons for the insolvency are summarized in the Questionnaire and Report to the Administrators dated November 14, 2008, as filed with the Australian Stock Exchange. As a result of the Voluntary Administration, effective upon the appointment of the Administrators on October 26, 2008, the appointed Administrators immediately assumed all legal powers, rights and obligations of the directors of Tamaya and the directors had no legal rights with respect to the administration or management of Tamaya or its assets.

No proposed director has, within the past ten years, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or became subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold his or her assets.

No proposed director has been subject to either (i) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or (ii) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable shareholder in deciding whether to vote for a proposed director.

Resolution 4 - Ratification of Allotment and Issue of Shares

As announced on 2 September 2009, the Company completed a private placement of 57,452,546 Shares to raise \$5,457,992. The private placement was conducted in Australia in connection with an offering of 172,500,000 ordinary shares at a price of C\$0.086 per share for aggregate gross proceeds to the Company of C\$14,835,000 by way of a short form prospectus dated August 24, 2009 filed with certain Canadian securities regulatory authorities (the "Offering").

ASX Listing Rule 7.4 permits the ratification of previous issues of shares made without prior shareholder approval, provided the issue did not breach the 15% threshold set by Listing Rule 7.1. The effect of such a ratification is to restore a company's maximum discretionary power to issue further shares up to 15% of the issued capital of the company without requiring shareholder approval.

Resolution 4 is required to be approved in accordance with ASX Listing Rule 7.4 to ratify previous issues of Shares. The Company confirms that the issue and allotment of the Shares, the subject of Resolution 4 did not breach ASX Listing Rule 7.1.

Listing Rule 7.5 contains certain requirements as to the contents of a notice sent to Shareholders for the purposes of Listing Rule 7.4 and the following information is included in this Explanatory Statement for that purpose:

- (a) 57,452,546 Shares were allotted and issued by the Company;
- (b) Funds were raised for the cost of completing the exploration program and definitive feasibility study on the Company's 100% owned Yandera Project, and for general corporate and working capital purposes.
- (c) the issue price per Share was A\$0.095;
- (d) the Shares were allotted to sophisticated and professional investors introduced by New Holland Capital Pty Limited all of whom are unrelated parties of the Company;
- (e) A\$5,457,992 (less costs) was raised from the issue of Shares;
- (f) the Shares rank equally with the existing Shares; and
- (g) a voting exclusion statement is included in the Notice.

The Directors recommend shareholders vote in favour of Resolution 4 as it will provide the Company with further flexibility should any share issue be considered desirable or advisable in the next 12 months.

Voting of Proxies

The form of proxy accompanying this Explanatory Statement and Management Information Circular confers discretionary authority upon the proxy with respect to any amendments or variations to the matters identified in the

Notice of Meeting and any other matters that may properly come before the Meeting. At the time of printing this Management Information Circular, management knows of no such amendment, variation or other matter.

Shareholders must mark the boxes directing its proxy how to vote. Shares represented by proxy will be voted in accordance with the instructions of the Shareholder, however, if no voting instructions are indicated on the appointment of proxy form, the proxy will be voted as recommended by management or as the proxyholder sees fit (if management is not appointed as proxy).

Advice for Beneficial Holders

Shares may not be registered in the Shareholder's name but in the name of an intermediary (which is usually a bank, trust company, securities dealer or broker, or a clearing agency in which an intermediary participates). **A non-registered shareholder cannot be recognised at the Meeting for the purpose of voting his Shares unless such holder is appointed by the applicable intermediary as a proxyholder.**

In Canada, non-registered owners who have not objected to their intermediary disclosing certain ownership information about themselves to Marengo are referred to as non-objecting beneficial owners ("NOBOs"). Those non-registered owners who have objected to their intermediary disclosing ownership information about themselves to Marengo are referred to as objecting beneficial owners ("OBOs").

In accordance with applicable securities legislation, Marengo has elected to seek voting instructions directly from NOBOs. As a result, NOBOs can expect to receive a voting instruction form (a "VIF"), together with the meeting materials from the Company's transfer agent, Computershare Investor Services Inc. ("Computershare"). These VIFs are to be completed and returned to Computershare in accordance with the instructions. Computershare will tabulate the results of the VIFs received from NOBOs and provide appropriate instructions at the Meeting with respect to the Shares represented by such VIFs.

The Company has distributed copies of the Meeting materials to intermediaries for distribution to all OBOs who have not waived their rights to receive these materials. Often, intermediaries will use a service company (such as Broadridge Financial Solutions Inc.) to forward these meeting materials to the OBOs. With those meeting materials the intermediaries will provide OBOs with a form of VIF. When properly completed this VIF will constitute voting instructions which the intermediary must follow.

The mechanisms described above for registered Shareholders cannot be used by non-registered shareholders and the instructions on the VIF **must** be followed. The VIF is provided instead of a proxy. By returning the VIF in accordance with its instructions, a non-registered owner is able to direct how his or her Shares are to be voted at the Meeting.

The purpose of these procedures is to allow non-registered Shareholders to direct the voting of the Shares that they own but that are not registered in their name. Should a non-registered Shareholder wish to attend and vote at the Meeting in person (or have another person attend and vote on his behalf), the non-registered Shareholder should carefully follow the instructions provided on the VIF.

Proxies returned by intermediaries as "non-votes" because the intermediary has not received instructions from the non-registered Shareholder with respect to the voting of certain shares or, under applicable stock exchange or other rules, the intermediary does not have the discretion to vote those shares on one or more of the matters that come before the Meeting, will be treated as not entitled to vote on any such matter and will not be counted as having been voted in respect of any such matter. Shares represented by such broker "non-votes" will, however, be counted in determining whether there is a quorum.

All proxy-related material sent by the Company, has been sent using information (as to name, address and shareholdings) obtained pursuant to, and in accordance with, applicable securities legislation from the intermediaries. By electing to send materials directly to NOBOs, the Company (and not the intermediary) has assumed responsibility for (i) delivering the meeting materials to you; and (ii) executing proper voting instructions.

Voting Shares and Record Date

The authorised capital of the Company consists of an unlimited number of Shares of which as of 30 September 2009 497,969,521 Shares were issued and outstanding as fully paid. The Shares are the only shares of the Company entitled to be voted at the Meeting and subject to certain exclusions of votes described above, each Share is entitled to one vote at the Meeting.

4:00 p.m. (WST) on 3 November 2009 is the record date for determining the Shareholders of the Company entitled to vote at the Meeting.

As at June 30, 2009, the Company had three Named Executive Officers: Les Emery, Managing Director, John Ribbons, Chief Financial Officer and Company Secretary and Andrew Meloncelli who provided service to the Company as Chief Financial Officer and Company Secretary until March 30, 2009.

Compensation Discussion & Analysis

Overview of Compensation Program

On 12 September 2008, the Board of Directors established a remuneration committee (the "**Remuneration Committee**"). The Remuneration Committee is responsible for ensuring that the Company has in place an appropriate plan for executive compensation and for making recommendations to the Board of Directors with respect to the compensation of the Company's executive officers. The Compensation Committee ensures that total compensation paid to all Named Executive Officers is fair and reasonable and is consistent with the Company's compensation philosophy.

Compensation Philosophy and Objectives

The primary objective of the Remuneration Committee is to assist the Board in discharging its responsibilities related to compensation matters, including ensuring that the Company has an executive compensation plan that is both motivational and competitive so that it will attract, retain and inspire senior executives of a quality and nature that will allow for, and enhance, the sustainable development, growth and ultimate profitability of the Company. As set out in its charter, the Remuneration Committee assists the Board in fulfilling its responsibilities by:

- reviewing and making recommendations to the Board with respect to salary and incentive compensation, including bonuses and stock option awards and other benefits, direct or indirect, and any employment agreements and/or change of control packages for senior executives as well as compensation for the non-executive directors;
- making recommendations to the Board with respect to general salary guidelines for the Company;
- administering the Company's compensation plans, including stock option plans, as adopted by the Board from time to time;
- reviewing the Company's policies in respect of benefits; and
- ensuring that the Company's compensation practices and philosophies are consistent with the objective of enhancing shareholder value and attracting and retaining qualified senior executives.

Elements of Compensation Program, Determination of Amounts for each Element, Rationale for Amounts of Each Element

The Remuneration Committee’s overall objective in determining the compensation to be paid to the Company’s executive officers, including the Named Executive Officers, is to ensure compensation is fair and reasonable and sufficient to attract and retain qualified and experienced executives and to encourage and reward on the basis of individual and corporate performance. Currently, the Company’s performance is determined by, and measured against, the development of its Yandera project.

Generally, compensation is provided by the Company to its executive officers as a combination of salary, stock option grants and bonuses.

Executive salaries are generally established by comparison to competitive salary levels of other mineral resource companies of comparable size and complexity. Salaries are also affected by the individuals’ performance, level of experience, level of responsibility and length of service.

The Company uses stock option grants to align the interests of executive officers with the longer-term interests of shareholders and to reward those who make a long term contribution and commitment to the Company. The number and terms of outstanding options are taken into consideration when determining whether and how many new options should be granted.

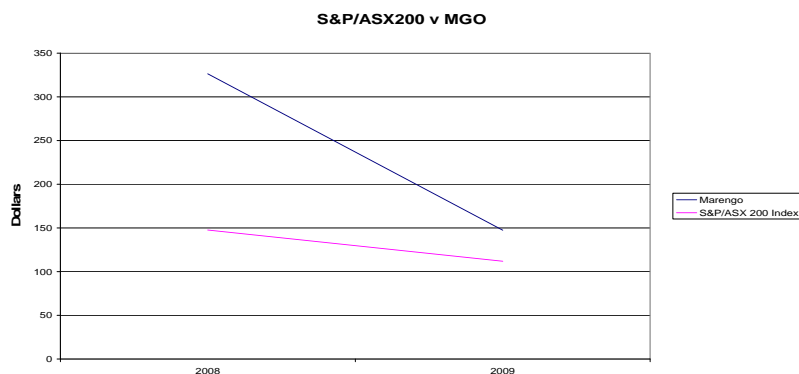

Bonuses are used to reward executive officers for achieving certain objectives. The Company’s performance and the performance of the individual during the period is considered in determining whether a bonus will be paid and if so, the amount of the bonus.

Compensation of the Managing Director

Compensation of the Managing Director includes a base cash compensation level and stock option grants. The compensation of the Managing Director is reviewed annually. The compensation of the Managing Director is determined in accordance with the factors described above for the compensation of the Company’s executive officers generally. More particularly however, in determining the Managing Director’s compensation, members of the Remuneration Committee and the Board have regard to (i) current base compensation; (ii) past performance; (iii) objectives for the ensuing year; (iv) market and industry practice and trends; and (v) when appropriate, the advice of independent experts.

Performance Graph

The following graph compares, assuming an initial investment of \$A100, the yearly percentage change in the Company’s cumulative total shareholder return on its Shares against the cumulative total shareholder return of the S&P/ASX 200 Index for the Company’s most recently completed financial years.

	<u>30 June 2008</u>	<u>30 June 2009</u>
Marengo	326.32	147.37
S&P/ASX 200 Index (Total Return)	147.62	111.94

The performance of the Company's Shares is not directly linked to compensation paid to executive officers of the Company. However the Company's remuneration policy has been tailored to increase the direct positive relationship between shareholders' investment objectives and the performance of its directors and executive officers. Currently, this is facilitated through the issue of options to the majority of directors and executives to encourage the alignment of personal and shareholder interests. The Company believes this policy will be effective in increasing shareholder wealth.

Option-based awards

The Company uses stock option grants to align the interests of executive officers with the longer-term interests of shareholders and to reward those who make a long term contribution and commitment to the Company. The Board has sole discretion to determine the employees to whom option grants should be made and to determine the terms and conditions of any such options (after considering the recommendation of the Remuneration Committee). The number and terms of outstanding options are taken into consideration when determining whether and how many new options should be granted.
